

Local Knowledge | National Strength

Raine & Horne, an established leader in the real estate industry for over 125 years, developed in 1984, purpose built offices to service commercial, industrial, retail and specialist properties.

The Raine & Horne Commercial network, boasts over 25 offices, offering an Australiawide coverage, with international strength of Raine & Horne offices and affiliate offices around the world

In our continuing expansion, we have established Raine & Horne Dubai and Raine & Horne Leeds UK. This is in addition to Raine & Horne Zaki Partners in Malaysia with 15 offices, Raine & Horne Fiji and Raine & Horne Projects Hong Kong, coupled with affiliate office around the world.

Our highly trained industry experts in Australia and around the world, have built on the family oriented, personalized service, synonymous with the Raine & Horne Commercial name.

The growth in this field has been outstanding through all property market cycles. This ability to expand in all economic conditions, is evidence of our prowess in a highly competitive marketplace.

Raine & Horne Commercial can market property:

- Locally
- Regionally
- Nationally
- Internationally

This ability is now, more than ever, an advantage in our global economies.

We continue to be a leader in the industry.
